

### Kolekcja ELS-UTL4

- Acta Oecologica
- Advances in Environmental Research
- Agricultural and Forest Meteorology
- Agricultural Economics
- Agricultural Systems
- Agriculture, Ecosystems & Environment
- American Heart Journal
- Analytica Chimica Acta
- Animal Reproduction Science
- Annales de l'Institut Henri Poincare - C. Nonlinear Analysis
- Annals of Pure and Applied Logic
- Annals of Tourism Research
- Applied Animal Behaviour Science
- Applied Geography
- Applied Nursing Research
- Applied Soil Ecology
- Artificial Intelligence
- Artificial Intelligence in Medicine
- Arts in Psychotherapy
- Bioelectrochemistry (formerly: Bioelectrochemistry and Bioenergetics)
- Biotechnology Advances
- Cardiovascular Research
- Chaos Solitons and Fractals
- Chemical Engineering and Processing
- Chemical Physics
- Communication in Nonlinear Science and Numerical Simulation
- Comptes Rendus Geoscience
- Computer Networks
- Computer Physics Communications
- Computers & Geosciences
- Computers and Electronics in Agriculture
- Crop Protection
- Current Opinion in Biotechnology
- Current Opinion in Plant Biology
- Decision Support Systems
- Discrete Applied Mathematics
- Ecological Economics
- Ecological Engineering
- Ecological Modelling
- Environmental and Experimental Botany
- Environmental Pollution
- European Economic Review
- European Journal of Soil Biology
- Expert Systems with Applications
- FEBS Letters
- Field Crops Research
- Food and Chemical Toxicology
- Food Chemistry
- Food Research International
- Forest Ecology and Management
- Fuzzy Sets and Systems
- Geobios
- Geochimica et Cosmochimica Acta
- Geoforum
- Geomorphology
- Global Environmental Change. part A
- Industrial Crops and Products
- Information Sciences
- International Journal for Parasitology
- International Journal of Applied Earth Observation and Geoinformation
- International Journal of Cardiology
- International Journal of Nursing Studies
- International Review of Economics and Finance
- ISPRS Journal of Photogrammetry and Remote Sensing
- Journal of Academic Librarianship
- Journal of Applied Geophysics
- Journal of Approximation Theory
- Journal of Biotechnology
- Journal of Chromatography A
- Journal of Chromatography B
- Journal of Differential Equations
- Journal of Econometrics
- Journal of Financial Economics
- Journal of Food Engineering
- Journal of Geodynamics
- Journal of Insect Physiology
- Journal of International Economics
- Journal of Microbiological Methods
- Journal of Midwifery and Woman's Health
- Journal of Professional Nursing
- Journal of Rural Studies
- Journal of Stored Products Research
- Journal of Virological Methods
- Journal of Volcanology and Geothermal Research
- Knowledge-Based Systems
- Lancet
- Landscape and Urban Planning
- Livestock Production Science
- Mathematical and Computer Modelling
- Mathematical Biosciences
- Measurement
- Meat Science
- Midwifery
- Neural Networks
- Nurse Education Today
- Nutrition
- Optics Communications
- Physica D: Nonlinear Phenomena
- Physics Letters A
- Physics Letters B
- Physics Reports
- Phytochemistry
- Plant Physiology and Biochemistry
- Plant Science
- Postharvest Biology and Technology
- Preventive Veterinary Medicine
- Quaternary International
- Quaternary Research
- Quaternary Science Reviews
- Remote Sensing of Environment
- Reports on Mathematical Physics
- Scientia Horticulturae
- Small Ruminant Research
- Soil And Tillage Research (incorporates Soil Technology)
- Soil Biology And Biochemistry
- Tectonophysics
- Theriogenology
- Thermochimica Acta
- Tourism Management
- Trends in Biochemical Sciences
- Trends in Ecology & Evolution
- Trends in Food Science & Technology
- Trends in Microbiology
- Trends in Pharmacological Sciences
- Trends in Plant Science
- Veterinary Parasitology
- Waste Management
- Water Research
